

Brambleton Community Association

Board of Directors 2018 Election

Ram Venkatachalam: Introductory Statement

3 years ago, I reached out to our neighbors-friends-residents in our community to support my candidacy to be a Resident Director. I am grateful to have earned your support in 2015 and have represented/ worked the last 3 years in the best interest of our residents, be it working with the Developers, Association/county staff, local/state elected officials.

I continue to volunteer in our community events – Concerts/July 4th events, most recently Fall Fest and you may recall, I was a resident volunteer of Covenants Committee for 3 years prior to getting elected to Brambleton Board in 2015. Professionally, I am an Advisory Consultant specializing in Business-Technology-Management strategy and play key leadership roles for organizations.

Having seen our community grow in the last 10 years which my wife Seetha and our kids – 5-year-old daughter, 3-year-old son have called home and our community is expected to grow upwards of 20000 Residents in the next few years. With the projected growth, it is important for us to continue to maintain the sense of community as we all seek to live in harmony, while respecting our residents with various backgrounds & walks of life.

I strongly believe I bring those values as a board member representing our community while continuing to work with residents, HOA staff, various committee members, Board, the developer, county staff and local/state elected officials. There is more work to do in our community and you can count on me that I will approach them putting residents' interest as the top priority.

Hope I have earned your support. Thanks!

Five Goals for Serving Brambleton

1. Bring the best quality of life & technology options to BRAM working in team with Residents, Developer, HOA, committee members, Board of Directors and local/state elected officials
2. Continued resident engagement
3. Traffic/Roads ease up from the community
4. Help to maintain the sense of community while living in harmony
5. Fiduciary responsibility

Five Relevant Community, Professional, and Leadership Activities

1. Currently serve as a resident elected director of Brambleton from 2015-18. I have served as a resident volunteer member of Covenants committee from 2012-15.
2. In addition to being on the board and covenants, I volunteer at various events (Red, White & Bram; Fall Fest; Summer Concerts) in Brambleton.
3. Worked with LCSO on Traffic Calming, Community Policing, LCPS – CAST initiative and with LCPL on various initiatives pertaining to Brambleton library.
4. Volunteer at DC Central Kitchen in helping to prepare meals for the underprivileged, as well support local food pantries.
5. Current Blue Ridge District representative at Loudoun County's Transit Advisory Board (TAB) for Metro Connect, Local buses, Para Transit and Long-Haul bus services.
