## Board of Directors 2018 Election

### **Harsha Sarjapur: Introductory Statement**

I'm a resident of Brambleton since 2012, and an active volunteer on the Covenants Committee for past 4 yrs.

I have volunteered at numerous Brambleton events such as Brewfest, Fall festival, July 4th events serving in various volunteering positions. I have volunteered and spent many hours attending County meetings, PRCS events and participated in Beaverdam cleanup projects. I also administer a cricket club organized by PRCS in Loudoun county with 1,400 playing members.

I have met and engaged with local business, politicians for follow up on traffic lights, law enforcement and protecting the interest of Brambleton residents.

Before moving to Brambleton, I served as volunteer at Faircrest Community in Centreville housing 1,200 families with a diverse neighborhood. I was involved actively in the Neighborhood watch program, administered by Fairfax Police & stood for being the voice of the people.

I own and operate a software consulting company that works with mid-sized businesses across the nation, working from Small Office/Home office it fits with the Brambleton message "Live Brambleton, Live Connected".

During my non-office hours, I love to play a game of golf with friends, and vivid supporter of Redskins, Capitals and UFC games.

Let me be your voice as a resident director on the board.
